Version 6.02 & Dated : 10th November, 2014

Welcome to ASDF

Association of Scientists, Developers and Faculties (ASDF) inception in the year 2010 has grown attaining a greater mark within the span of 4 years. ASDF aims purely in the development of knowledge in all means of the sharing the knowledge among the people. Criteria for being a member of this society is highly relaxed so that even the members around the average line could be as a member and share their views on a particular concept or technology.

ASDF has planned to organize International Conferences, Workshops, Seminars and Symposia's where the platform for sharing the knowledge among the people will be facilitated. This booklet gives you more information for the benefits of being as ASDF Member.

I personally take this opportunity to welcome you on board.

A

S

President **Anbuoli Parathasarathy,**
ASDF Global (2013 – 2016)

Benefits

1. International Membership

All the member of ASDF will be given with an International Membership ID which can be easily verified online. Quoting this Membership ID is most mandatory in all the sequences of the ASDF Activities for claiming to be the preferential member. The pride of carrying MASDF or SASDF or FASDF is preferential when you are into pure research and gives a different insight.

2. Collaboration

ASDF serves a platform to collaborate between International Institutes and Research Bodies. Conclaves use to happen every year / season where the Country Head Decides. In this the participation opportunity will be given to the Members. The Academic People can network with International Academic Body or the

Organization/Companies to create a bonding. By this, we are proud to say that many numbers of Students have been recruited for the Global Top Companies for research oriented positions.

3. Research Project Grants

ASDF is highly intentional about the Research Growth. As a part of this initiative ASDF is providing Research Project Sponsorships for the people who intend to perform Research and Development which can result in publications, patents and such. As of now we have granted 16 projects a total of \$ 235,000 in the recent 2 years. With an institute membership you can even apply for the Centre of Excellence (CoE).

4. Conferences / Symposiums / Workshops

ASDF sponsors various Conferences, International Symposiums and Workshops across the Globe enhancing the development of the Research oriented people. In the last year ASDF has sponsored 400+ events of that type both financially as well as technically. ASDF Chapters are eligible for submitting event Performa for Conferences, Symposiums and Workshops which are organized globally. Members get discounted rates at each and every conference hosted by ASDF and even conferences supported by ASDF.

5. Student Level Projects

ASDF is nourishing Students who are going to be a futuristic integral part of the community by sponsoring their projects which they are about to have in their course completion phase. A minimal amount will be sponsored for carrying out their project which is genuine in all the terms. ASDF is particular in combating the plagiarism and code hiring from public centres. Annually the ASDF Project Awards and ASDF Software Development Contest are hosted to make the art of imagination in student level or entry level.

6. Student – Staff Exchange Programmes

ASDF is highly has a scope of bridging the institution/universities with that of internationally viable because of the numerous Memorandum of Understandings and agreements. Various Universities come forward for the Student – Staff Exchange programmes which facilitate the students and faculties to learn and exchange a lot during their courseware beyond the horizons. Based on the University to University, the credit transfers are also moderated by the ASDF in host country.

7. Travel Grants for Research

ASDF sponsors Researchers who intent to present their Research Papers which are sponsored by ASDF either technically or financially. This exclusively reduces the burden of the author ASDF member in their travel expense. Applications for this should be forwarded by the respective ASDF Chapter Heads well in advance and get the approval note before travelling.

8. Conferences / Symposiums / Workshops Registration Sponsorship

All the ASDF members with a valid membership ID are eligible for the Sponsorship of the Registration fee of 20% globally in all the conferences, symposiums and workshops supported by ASDF.

9. Research Journals

ASDF annually releases 13 International Journals with various disciplines including ICT, Mechanical, Management, Electronics and others. All the journals are there with the valid ISSN registered at Singapore. Started in the year of 2010 and have started with a minimalistic impact factor with the region of 0.06 to 0.87. Reviewed by a panel of experts, have a high touch of quality.

10. ISBN Sponsorship for Authors

ASDF sponsors the exclusive ISBN for the authors or the fellow members where there is a pool of knowledge and encourages ASDF members to write Text Books which can be used for reference materials. And this comes without any financial commitment. The constraint here is within 3 months of issuing the ISBN, two copies of the book should reach ASDF India office for processing the ISBN, Berlin.

11. Annual Relationship Conclave / FDP / SDP

ASDF organizes annual relationship conclave at each and every country where the Organization, Researchers, Scientists, Academicians and Students will get in-line with each other's style. This conclave will bring into more new innovations and network among the society. This enables the people for the creating lots of new research activities, job opportunities and sub-divisional developments. Additionally the skill level certification programs are also hosted as a part of this conclave.

12. PG / Doctoral Course Complete Sponsorship

ASDF with the numerous Memorandum of Agreement executed across various universities, few provide the entire sponsorship for meritorious students which includes the entire courseware fees, accommodation and a stipend for pursuing their Post-Graduation and Ph. D. exclusively for the ASDF Members. The ASDF members will be chosen and given for selection by the Chapter Heads.

13. Awards Nomination Eligibility

ASDF annually presents 27 top most awards for the prestigious persons. This award includes for the Best CEO, CFO, COO, Academic Chairman, Professor, Dean, Computer Science Faculty, Industry Researcher, Academic Researcher, Scientific Researcher, HR Administrator, Lifetime Achievements Awards and Student Project and so on. This ASDF membership gives the basic eligibility for ASDF Awards.

14. DCRC Registration

If you have authored any of the paper(s) in ASDF hosted or supported conference, while filing the Copyrights online, there is a strict mechanism of evaluation of the same. Non-members will be verified by their Credit or Debit Card. ASDF Members will be given with an exempt for the same.

And many more. . .
